## MADE IN BRITAIN

Alupanel is an internationally recognised product providing pioneering solutions to the Sign, Advertising and Construction markets.

In a highly crowded business environment it is vital to get noticed. From eye-catching signage, innovative point of sale displays to highly effective way finding solutions, there is only one all round solution – Alupanel.

Alupanel is a premium quality composite panel made from aluminium composite materials featuring two 0.30mm aluminium sheets, sandwiching a polyethylene core. Available in one of the widest colour ranges on the market, all standard PE colours come with a 5 year external guarantee.\*
