AMAZING PRINTS

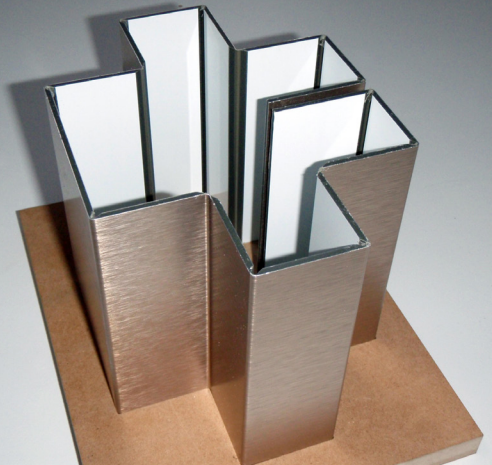

Beautiful effects can be achieved when printing on our Brushed finishes. Images have a metallic shimmer whilst the textured surface of the panel makes light-coloured areas of the print appear particularly luminous.

EASILY FABRICATED

Alupanel® brushed finishes have a 0.3mm Aluminium skin and are easily fabricated, folded and formed. This versatility combined with the extremely attractive finishes makes them perfect for creating high quality, eye-catching projects in a variety of areas including:

- Retail design,
- Sign making,
- POS/POP,
- Interior design
- Furniture construction
