ALUPANELLITE

aluminium composite panel

An economical, dual-sided, reduced weight sheet designed for flat applications where a high load-bearing capacity is not required.

Lightweight,
for flat
applications

- ◆ Lightweight yet rigid
- ◆ Highly resistant to weather
- ◆ Uniform, flat surface
- ◆ 2 year guarantee*

* With the exception of Brushed Aluminum, Brushed and mirror finishes are guaranteed for internal use only.

MADE IN BRITAIN 

Alupanel Lite is a reduced weight sheet derived from a .18mm thick aluminum surface on both sides, featuring our superior polyethylene core.

Alupanel Lite is a dual-sided product with a high gloss finish on one side – the same PE paint finish as used on the premium Alupanel sheet – and a matte finish on the reverse.

Specifically designed for applications where a high load-bearing capacity is not required, Alupanel Lite offers a reduced weight, economical option for a variety of applications.

Applications

- Printing direct
- Sign making
- Wayfinding
- POS Displays
- Shop fitting
- Outdoor advertising
- Exhibition design

 **MADE IN BRITAIN**

Property

Panel thickness (mm)	2	3	4
