- ◆ UV Resistant for outdoor use
- ◆ 5 year guarantee*

* With the exception of Brushed Aluminum, Brushed and mirror finishes are guaranteed for internal use only.

MADE IN BRITAIN

Alupanel is an internationally recognized product providing pioneering solutions to the Sign, Advertising and Construction markets.

In a highly crowded business environment it is vital to get noticed. From eye-catching signage, innovative point of sale displays to highly effective way finding solutions, there is only one all round solution – Alupanel.

Alupanel is a premium quality composite panel made from aluminum composite materials featuring two 0.30mm aluminum sheets, sandwiching a polyethylene core. Available in one of the widest color ranges on the market, all standard PE colors.

Applications:

- Printing direct
- Sign making
- Wayfinding
- POS Displays
- Shop fitting
- Outdoor advertising
- Exhibition design
